FIRST SCHEDULE

VALUE OF IMPORTED GOODS
1. (1) The value of any goods imported for use in Nigeria shall be taken to be the normal price, that is to say, the price which, in the opinion of the Board such goods would fetch at the time when the duty becomes payable on a sale in the open market between a buyer and a seller acting independent of each other.

(2) The normal price of any goods so imported shall be determined on the following assumptions —

(a) that the goods are treated as having been delivered to the buyer at the port or place of importation into Nigeria;
(b) that the seller shall bear all costs, charges and expenses incidental to the sale and to the delivery of the goods at the port or place of importation into Nigeria which are hence included in the normal price;
(c) that the buyer shall bear any duties or taxes chargeable in Nigeria, which are hence not included in the normal price, and
(d) that the sale is a sale of the quantity to be valued.

(3) Where imported goods are the subject of a bona fide sale, the Board may use the price paid or payable as a basis for valuation of the normal price but the Board may—

(a) take measures aimed at preventing the evasion of customs duty by means of fictitious contracts or prices; and

(b) make such adjustments of that price as may be considered necessary on account of circumstances of the sale which differ from those envisaged in the definition of value in sub-paragraph (1) of this paragraph.

(4) Adjustments mentioned in sub-paragraph (3) (b) of this paragraph refer particularly to —
(i) costs, charges and expenses mentioned in sub-paragraph (6) of this paragraph;

(ii) discounts or other reduction in price granted in favour of sole agents or sole concessionaires; or

(iii) any abnormal discounts or other reduction from other competitive price.

(5) Where the determination of value or of the prices paid or payable depends upon factors which have been expressed in the currency of another country, such foreign currency shall be converted into the currency of Nigeria at the current official rate of exchange in Nigeria.

(6) The “costs, charges and expenses” referred to in paragraph 1(2) (b) of this Schedule include, inter alia, any the following —

(b) insurance;

(g) loading charges.
2. (1) For the purpose of this Schedule, a sale in the open market between a buyer and a seller acting independently of each other presupposes—

(a) that the price is the sole consideration;

(b) that the price is not influenced by any commercial or other relationship, whether by contract or otherwise, between seller and any person associated in business with him and the buyer or any other person associated in business with him (other than the relationship created by the sale of the goods in question); and

(c) that no part of the proceeds of any subsequent resale, use or other disposal of the goods shall accrue either directly or indirectly to the seller or any person associated in business with him;

(2) Two persons shall be deemed to be associated in business with one another if, whether directly or indirectly, either of them has any interest in the business or property of the other or both have a common interest in any business or property or some third party has an interest in the business or property of both of them.

3. (1) When the imported goods to be valued—

(a) are manufactured in accordance with any patented invention or are goods to which any protected design has been applied; or

(b) are imported under a foreign trade mark, or

(c) are imported for sale, use or other disposal under a foreign trade mark; the normal price shall be determined on the assumption that it includes the value of the right to use the patent, design or trade mark in respect of the goods.

(2) The provisions of subparagraph (1) of this paragraph shall apply to goods imported for sale, use or other disposal, after further manufacture, under a foreign trade mark.
3. A trade mark shall be treated as a foreign trade mark if it is the mark of —

(a) any person by whom the goods to be valued have been grown, produced, manufactured, offered for sale or otherwise dealt with outside Nigeria; or
